- our eggs are free range from *Baldivis*
- we use *Harvey Fresh* milk & cream

** if you love this granola as we do, buy a bag and take it home with you!*

**** our 62°C DEGREE POACHY EGG is a sous-vide/slow cooked egg. Cooked in its own shell in a temperature controlled water bath at 62°C, it cooks the egg white at the same temperature as the yolk for a non-overcooked egg white. This process gives the egg a soft appearance!**
